Corpus Christi College offers over \$100,000 annually in financial aid to students. The awards listed below recognize academic excellence, service, and/or need. Those applying must follow the directions associated with the individual awards. For a full description of awards consult the College's website: www.corpuschristi.ca.

All aid is for tuition remission only and does not apply to other student fees.

The final decision on awards rests with the Administration of the College. All awards are based on full-time study (15 credits per semester). A reduction in course load will result in a corresponding reduction in aid.

Awards deadline: To be considered for all awards listed below, please submit your application for admission and supporting documents by April 30. PLEASE NOTE: Automatic scholarships available regardless of application date.
